Iowa Council on Problem Gambling

The Iowa Council on Problem Gambling is incorporated to:

- ❖ Increase public awareness of pathological and problem gambling;
- ❖ Ensure the widespread availability of comprehensive services for problem gamblers and their families;
- ❖ Encourage research and programs for prevention and education in the State of Iowa;
- ❖ Provide voice to and coordination among the providers of services for problem and pathological gambling.

Iowa Council on Problem Gambling activities:

- ❖ Develop educational materials for problem gamblers, their families, friends, employers, co-workers, professional fields, and general public;
- ❖ Form working relationships with related fields, funding resources, and governing bodies;
- ❖ Promote and improve the professional gambling treatment and prevention field as a whole;
- ❖ Network with other gambling service providers for support and assistance when needed.
